JOB VACANCY

NETBALL CLUB DEVELOPMENT OFFICER

Wage: £600 per month

Term: March to July 2008

Stockport Ball Hall is looking for a netball club development officer to work to assist with the development of 3 junior netball clubs. These are:

- Southside
- Cheadle
- Heatons

The main duties will include undertaking schools promotion work around Stockport recruiting new teams for each junior netball club that will compete in the Sunday junior netball competitions at Stockport Ball Hall. The role will involve ensuring new players are introduced to netball through the Centre's come 'n' try sessions where they are taught the basics skills needed to play and formed into teams. The development officer will need to be available at times on a Sunday to oversee these sessions as well as at suitable times to contact interested players parents to invite them to their first sessions.

The objective will be to recruit six (6) new netball teams for each club between March and July for school years 3 to 8.

This position will suit an individual with an enthusiasm and a background in netball, either through playing, coaching, umpiring or administering. This is a key sports development role, working directly to improve participation in netball.
